Family Centered Education (FCE)

Length: 1 Day

Instructor: State WIC Trainers

Description: Ever wonder what to do with the children that attend WIC sessions with their parents? Involve the whole family – children included – in the learning by using Family Centered Education (FCE)! During FCE group education sessions, the parents and children have fun together while learning about nutrition. The family takes part in hands-on activities that help children get ready for school, while promoting the role of the parent or caregiver as the first teacher for their children.

At this training, you will:

- ♦ Explore the principles of working effectively with family groups
- ♦ Practice how to read to children when adults are in the class
- ♦ Practice teaching a Family Centered Education (FCE) session using FCE lesson plan and materials
- ♦ Problem solve on how to handle common facilitation challenges in FCE

Who should attend:

Staff who teach, train, and/or design classes

To register, please view and print application form at:

To request this training for your agency staff or region, please complete the application form.

Participant Centered Individual Education

Length: 1 Day

Instructor: State WIC Trainers

Description: Discover ways to motivate participants to make positive health changes in their lives.

At this training you will:

- Identify how to use a learner-centered approach to make individual education sessions more effective
- Practice core individual education skills such as open-ended questions, paraphrasing, and validating feelings
- Review the stages of behavior change and brief motivational interviewing methods for assessing readiness to change
- Practice conducting individual education using “brief” motivational interviewing techniques

Who Should Attend: Staff who provide individual education or train or supervise those who provide education.

To register, please view and print application form at:

<http://www.wicworks.ca.gov/resources/trainingBulletin/trainForms/TrainingRequestForm.pdf>

- **Cosumnes River College Dietetic Tech Program! ONLINE** January 17-May 24, 2006; earn transferable units! For more information, research their website at www.crc.losrios.edu/~diettech/

Cosumnes River College offers an Online Dietetic Technician Program, an Associates Degree (2-yr) in Nutrition and Foods, Nutrition and Dietetics Certificate and a Community Nutrition Specialist Certificate. In addition, you can register for any of the online nutrition classes without being in the Dietetic Technician Program. If you are working at a local WIC site and have wanted to take a nutrition class at your local community college, but could not work it into your schedule, we offer a 3-unit transferable nutrition class online! Even if you have a nutrition degree, you can take these online classes to update your knowledge in Medical Nutrition Therapy, Advanced Nutrition, Community Nutrition and/or Culinary Management. These classes are especially helpful if you have been out of school for a few years and are preparing to apply for a dietetic internship or as part of your preparation to pass the RD exam. More details are in the Recommended Outside Training section.
